Theme:

**THE MISSING
PEACE**

Whether it is the conflicts of the world that burden our hearts or the conflicts within them, there is one answer to it all: Jesus. At SDYC we will gain an understanding about reconciliation, civility, and get equipped to handle

multiple areas of conflict (i.e. online bullying, race relations, Truth vs Grace discussions, etc.) in a healthy way. Basically, it's about resolution and how do Christians interact with people who completely disagree with them in a Christ-like way? How do we love our neighbor, even if they hate us? How do we speak truth without fear? And how Jesus is the only way for eternal peace.
