JHYC is our annual junior high youth conference which is a day-long event of worship, games, challenging lessons, and service. It's a ton of fun and a great way to grow your faith and make new friends.

There will be plenty of time for fun and games during the afternoon free time. Our hope is that students are able to develop deeper relationships with their friends and youth groups, as well as, make some new friends throughout the day. Free time options include inflatable games, noodle hockey, arts/crafts, an opportunity to serve others, and much more. JHYC is a day packed with fun, friends, food and Jesus!

Our speaker for the day is Sara Jo Waldron. She serves as the youth pastor at Hillsboro MB Church and as chair of the Southern District Youth Commission. Sara Jo lives on the Tabor College campus with her husband, Lee, 3 kids, and a whole mess of college students.

Leading worship is the Tabor Worship Ministry Team, a ministry of Tabor College. They are excited to lead the students in some rockin' worship!
