Theme:

MIGHTY WARRIORS
sdyc 2018

Mighty Warriors! Those two words bring up different images in our minds. We think of the men and women who currently serve in our military. We think of the athletes in our favorite sport and how they push their bodies to the limits to win a championship. We think of our favorite superhero in the latest action movie defending the planet from the latest invasion. We think of David and his incredible defeat of Goliath.

These are all examples of Mighty Warriors and it would be amazing to be counted as one. However, we rarely, if ever, think of ourselves as Mighty Warriors for God. Yet, the Bible is full of examples of men and women who didn't think of themselves as Mighty Warriors but that is what God called them to be. God IS calling you.
